

Logging In

1. Go to www.kdemexercises.com.
2. Enter in the email and password for your KETS account.

The screenshot shows the KETS User Login interface. It includes a 'User Login' box with input fields for 'Email' and 'Password', a 'Forgot your password?' link, and a 'Login' button. To the right is a 'Welcome to KETS!' section with a photo of people working outdoors and text explaining the system's purpose and contact information. At the bottom, there are logos for the Kansas Department of Emergency Services and the Kansas State Seal.

- Before logging in for the first time, you need to setup your password by following the link in the invitation email for KETS.
- If you cannot remember your password, click the “Forgot your password?” link to have an email sent to you to reset your password.
- If you did not receive an invitation email:
 - First, check your junk/spam folders. Look for an email sent from support@kdemexercises.com.
 - If you still cannot find the invitation email, contact Robert Cox at KDEM (785-646-2405, robert.m.cox2@ks.gov), Robert Wintle at KDEM (785-646-2406, robert.wintle@ks.gov), or Micah Brown at EnVisage (785-587-0151, micahyb@gmail.com)
 - Remember, each county will receive only one user account.
